BULLITT - 
ASSEMBLY MANUAL

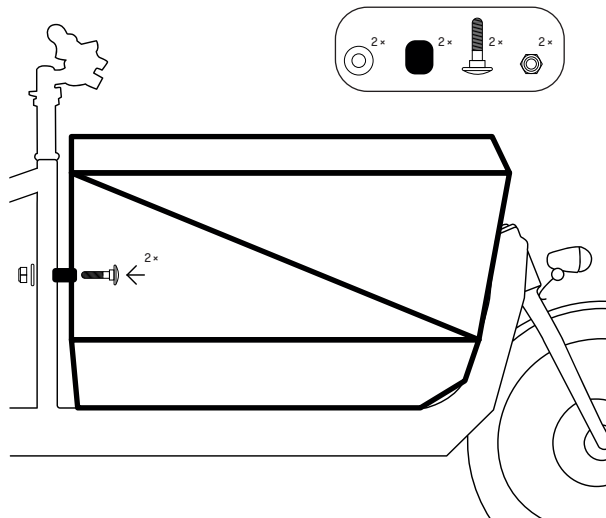

1 PUT THE BOX ON THE BIKE! easy step, right ?

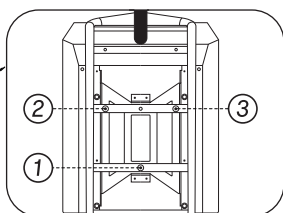

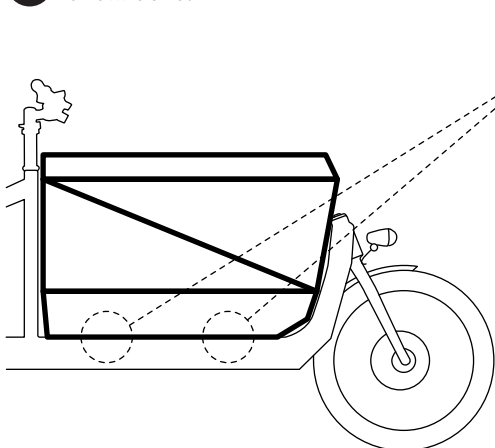

2 MOUNTING THE BACK still easy, you see...

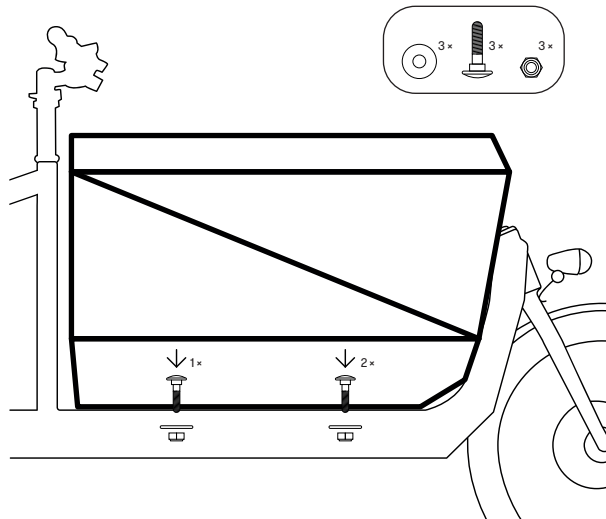

- place the bumper between the bike and the box
- insert the screw from the inside of the box
- fix it with the washer and the nut
- repeat on the other side

3 MOUNTING THE BOTTOM and... done!

- insert the screw from the top console to the fixation point on the frame
- fix it with the washer and the nut
- repeat it on the three fixation points

**YOU LOOK GOOD!
DON'T WAIT ANY LONGER...
RIDE IT! _**
